# Good results and strong growth in a challenging year

We are constantly striving to create good customer experiences - creating results over time

## ROE

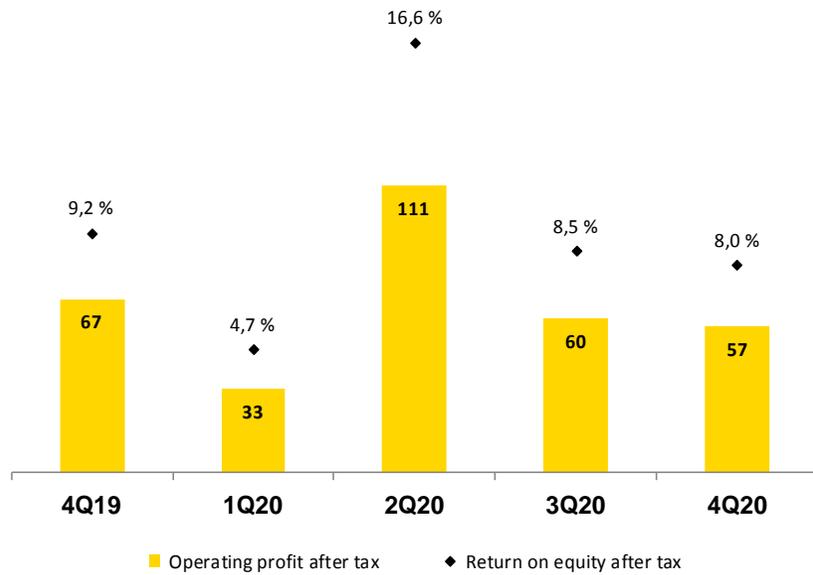

## YTD Summary

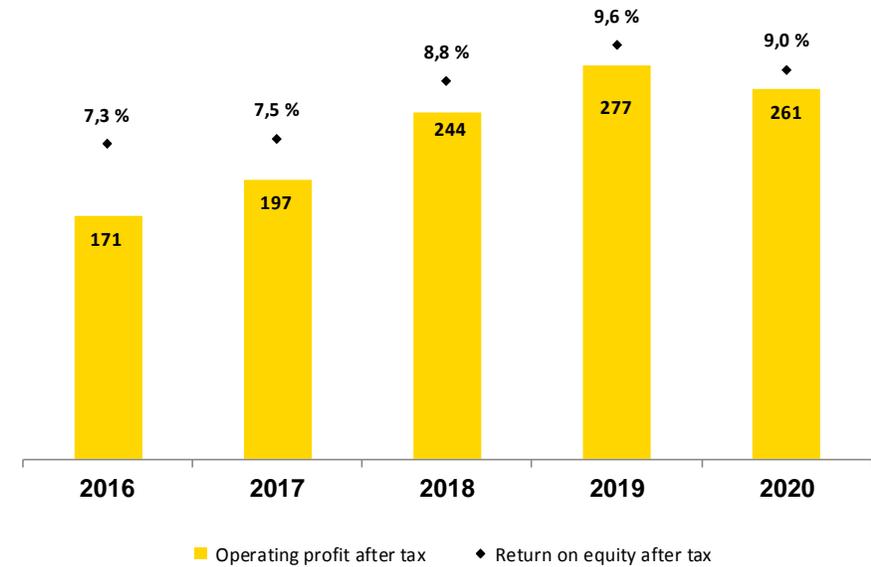

- Profit after tax MNOK 261 (277)
- ROE at 9,0 % (9,6 %)
- YTD EPS of 7,9 kroner (7,9)
- 4,9 % (2,3 %) loan growth
- Net interest margin at 1,64 % (1,72 %)
- Moderate loan losses of MNOK 25 (13) and sound credit quality
- Solid cost control, -0,2%
- Solid bank with 17,8 % CET1 (incl. YTD results)
- The board plans to pay a dividend to owners, customer dividends and gift funds for the fiscal year 2020, within the adopted dividend policy (50% -75%) in the fourth quarter of 2021, if conditions permit

# Profitability

## ROE, Quarterly

## ROE, YOY/YTD

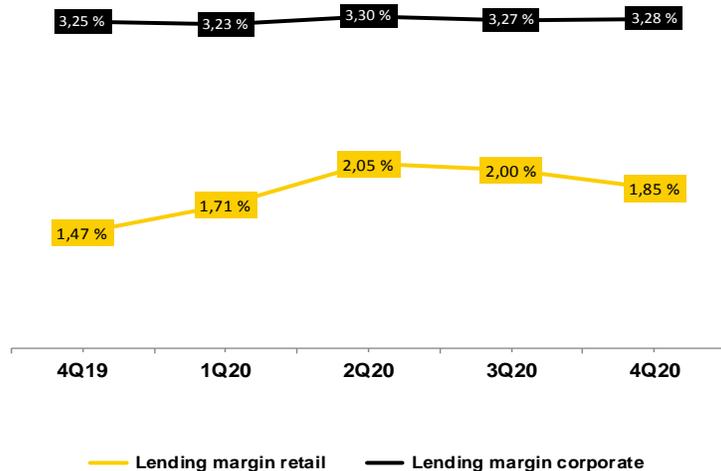

- EPS of NOK 7,9 in both 2020 and 2019, as a result of the repurchase of 10% of outstanding ECC's in February 2020.

# Margins on Loans and Deposits

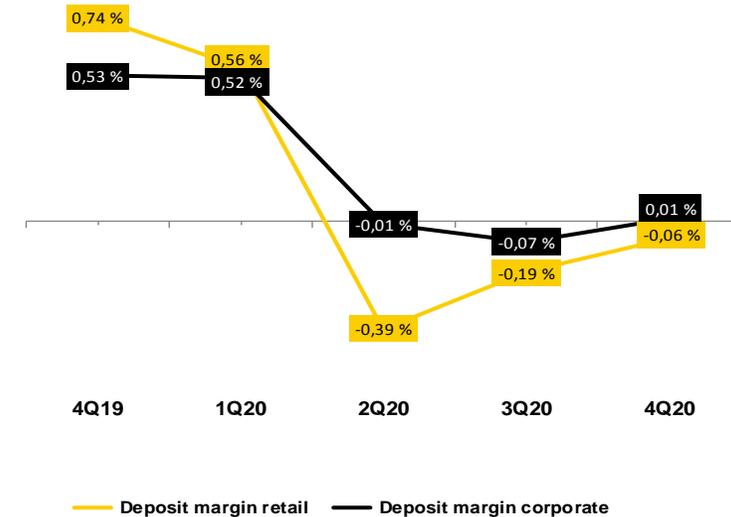

Strong competition for mortgage customers, stable margin in the corporate market

## Ledning Margins

- High and stable lending margin for the corporate market
- Increased lending margin for the retail market as a result of lower NIBOR

## Deposit Margins

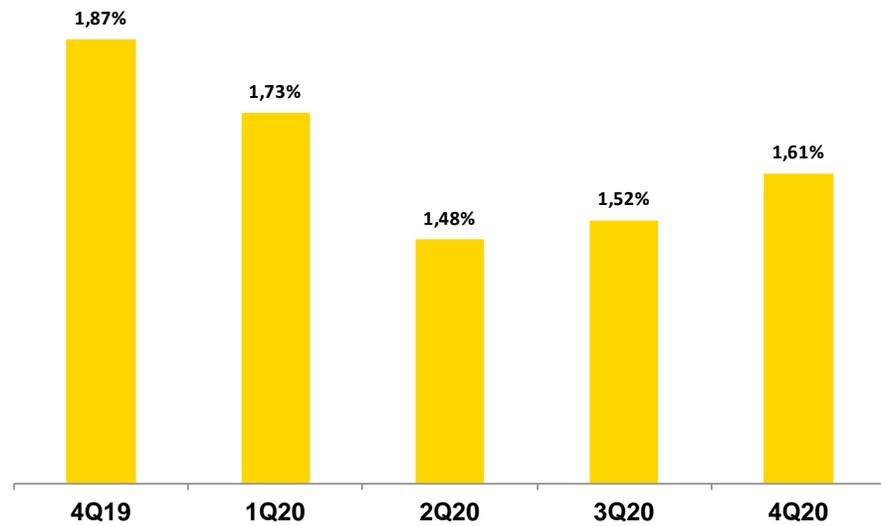

- Falling deposit margin due to lower NIBOR

# Net Interest Margin

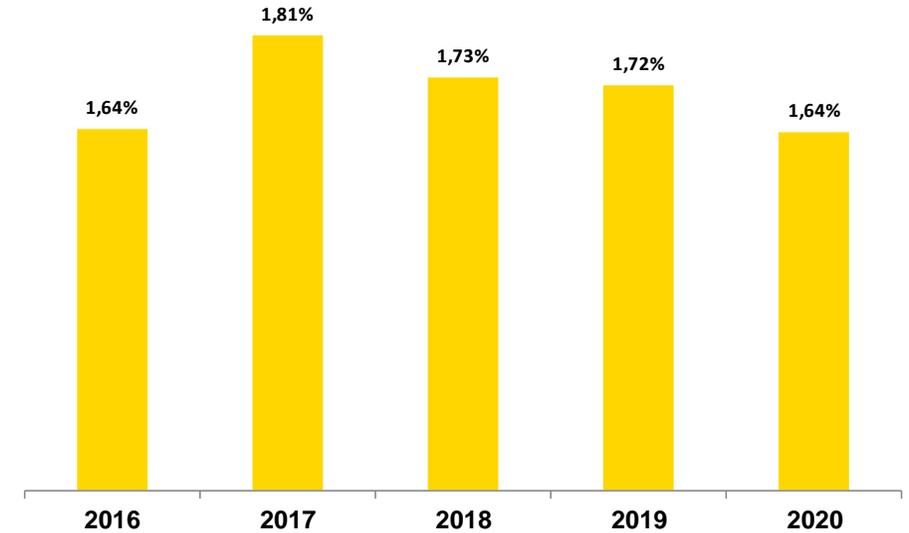

Solid interest margin despite low key interest rates

Net Interest Margin, quarterly

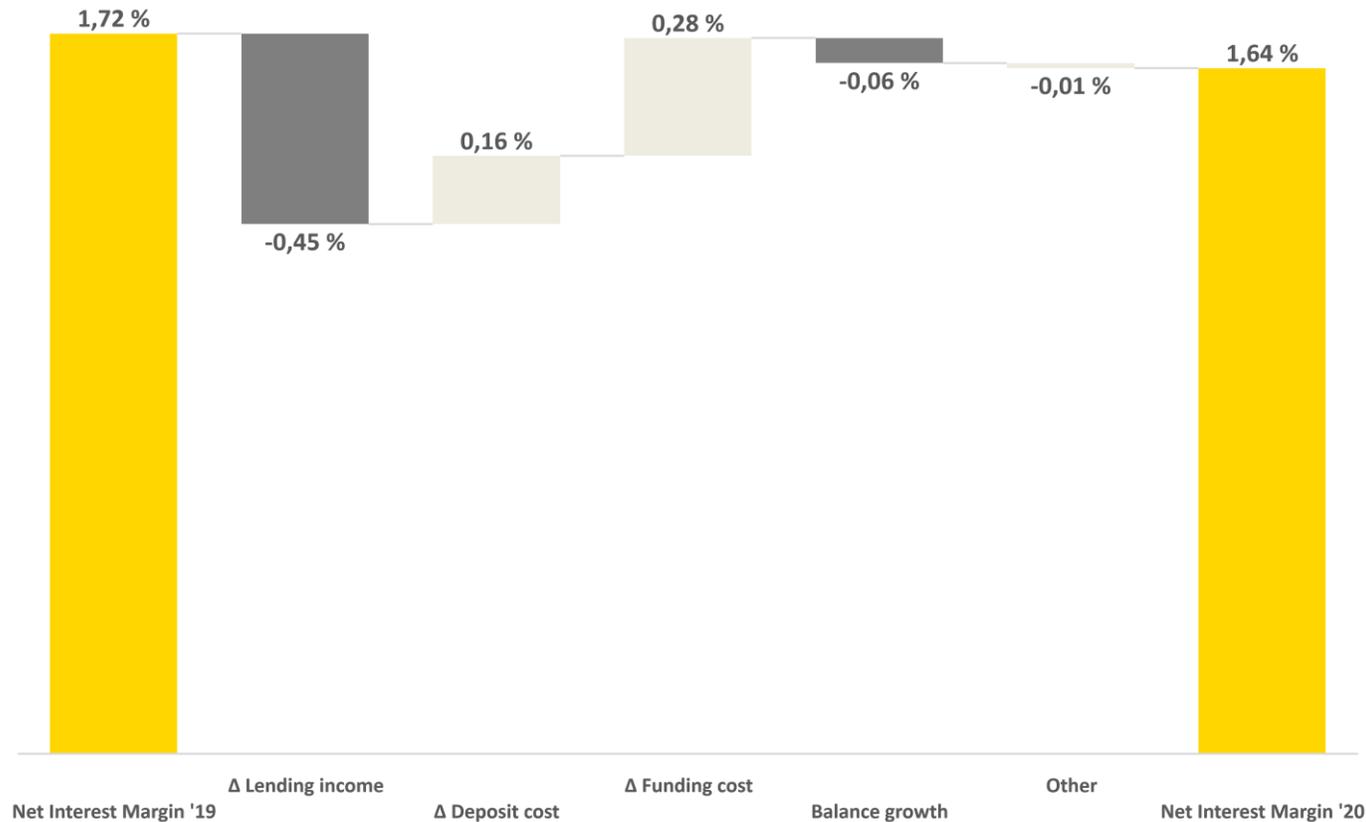

- Temporary drop in May due to reduction in mortgage rates prior to reduction in deposit rates / bond costs
- Lower deposit margin due to lower market rates
- Net interest margin is stable when adjusted for temporary effects

Net Interest Margin, EOY/YTD

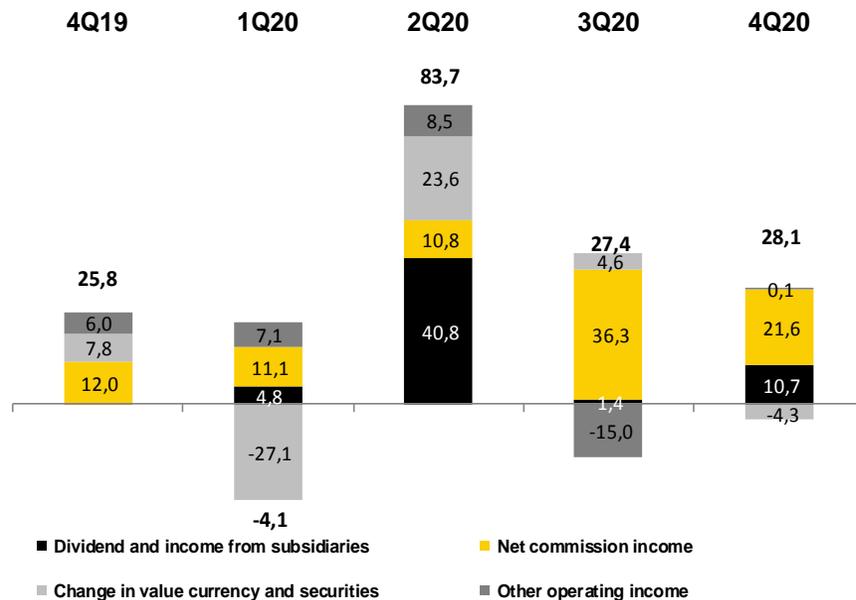

# Net Interest Margin - Development in 2020

- Reduced lending rates as a result of Norges Bank lowering interest rates in the first half of the year
- Lower deposit rates compensate somewhat, but not fully
- Lower NIBOR contributes positively to funding costs related to wholesale funding
- Margin pressure on the lending side gives a somewhat lower margin on new loans

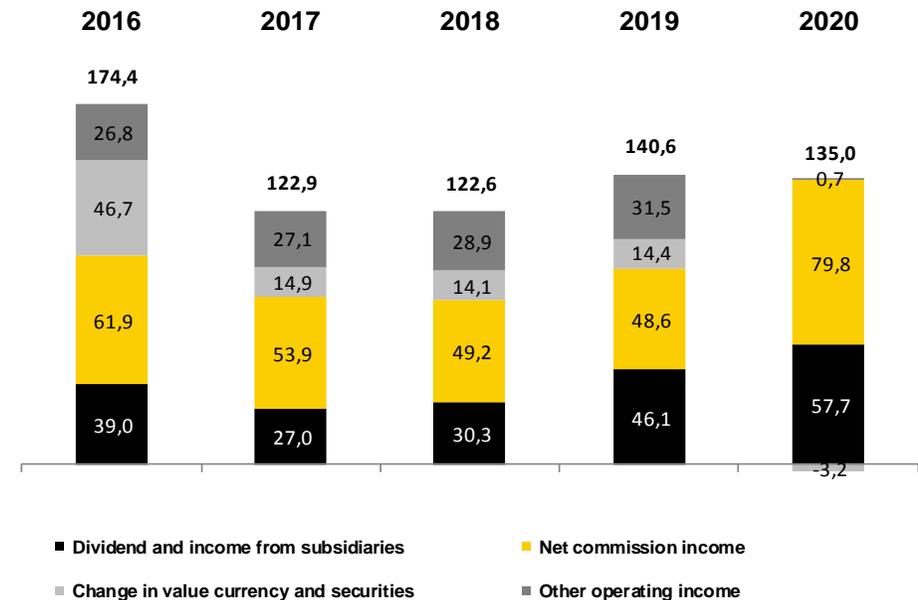

# Other Income

Other Income, quarterly

- Great volatility in financial instruments in 2020
- Shares in VN Norge (Visa) have been converted and sold in 4Q. - 7.5 MNOK value change shares, + 7.5 MNOK dividend
- For the 4th quarter of 2020, income from real estate amounts to NOK 9.4 million of total commission income

Other Income, EOY/YTD

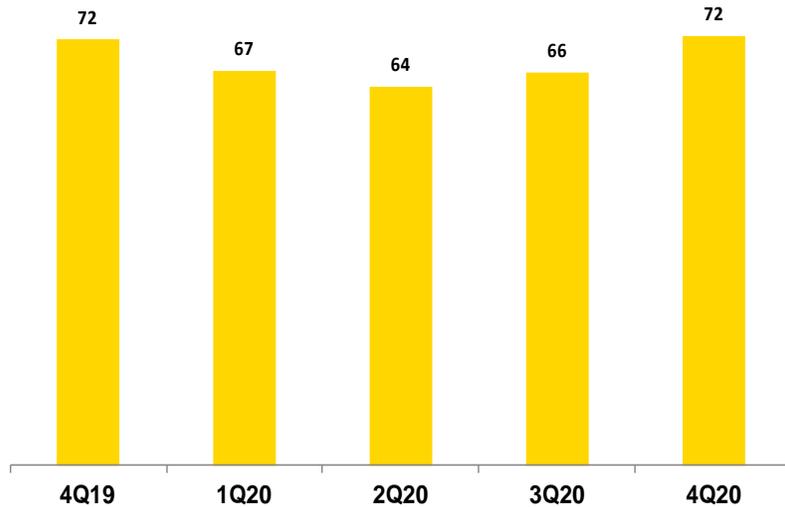

- From the third quarter of 2020, the group has chosen to reclassify income from real estate activities from other income to commission income.

# Operating Cost

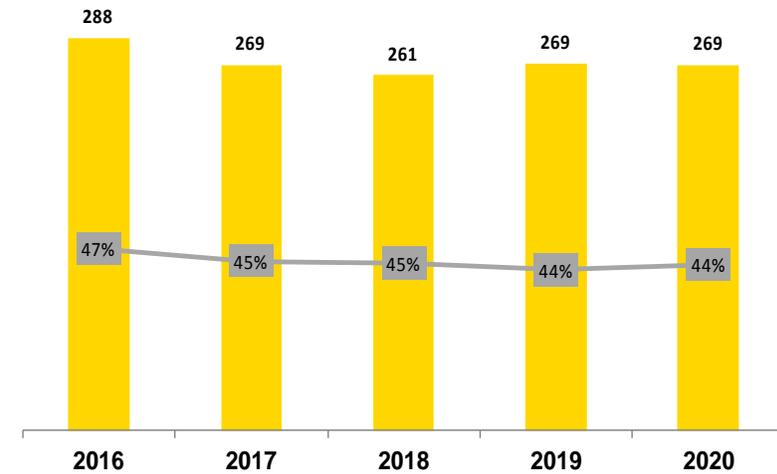

Strong cost control

Other Operating Costs, quarterly

- Preparations for the conversion of core banking systems from SDC to TietoEvy have been charged with NOK 2.5 million in Q4

Other Operating Costs, EOY / YTD

- Expect moderate development in costs related to ordinary operations in 2021
- Change of core banking systems from SDC to TietoEvy entails investments of 50-60 MNOK which will be expensed in 2021 and 2022

# Strategy 2017 - 2020

## Svært fornøyde kunder og ypperlig omdømme

- KOI (Kundeopplevelse Indeks)
- Sterk merkevare
- Tillit i markedet - funding bank3, gjennom hele perioden

## Lønnsom vekst

- Volumvekst utlån høyere enn kredittvekst
- Volumvekst andre produkter
- Rentenetto
- Kostnadsprosent
- Tap / forvaltningskapital

## Kompetente, engasjerte og prestasjonsorienterte medarbeidere

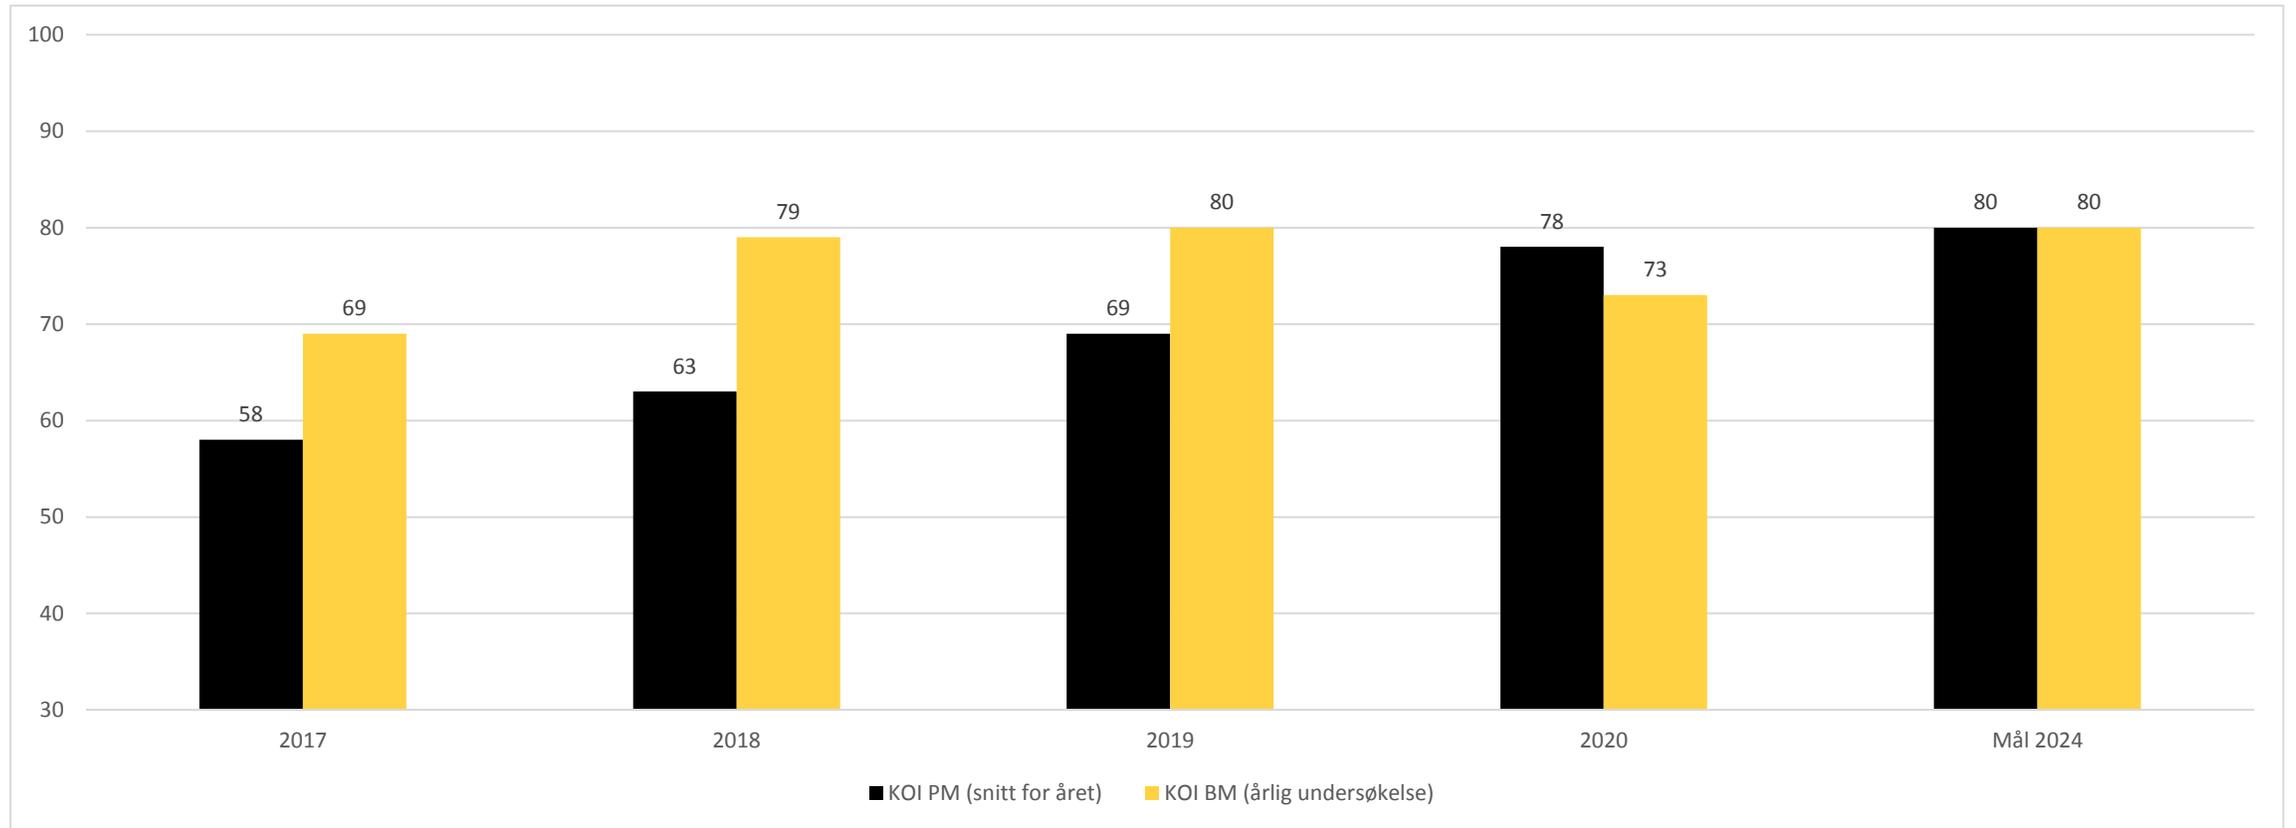

- Medarbeiderengasjement
- Attraktiv arbeidsplass
- Sykefravær
- Riktig person, riktig kompetanse, riktig rolle
- Målstyring satt i system

## EK-avkastning over snittet

- Målt mot sammenlignbare banker, estimert til 9%

# Customer Experience

\* KOI = Score kundeopplevelsesindex

# Development in The Strategy Period 2017-2020, Incl. Goals Towards 2024

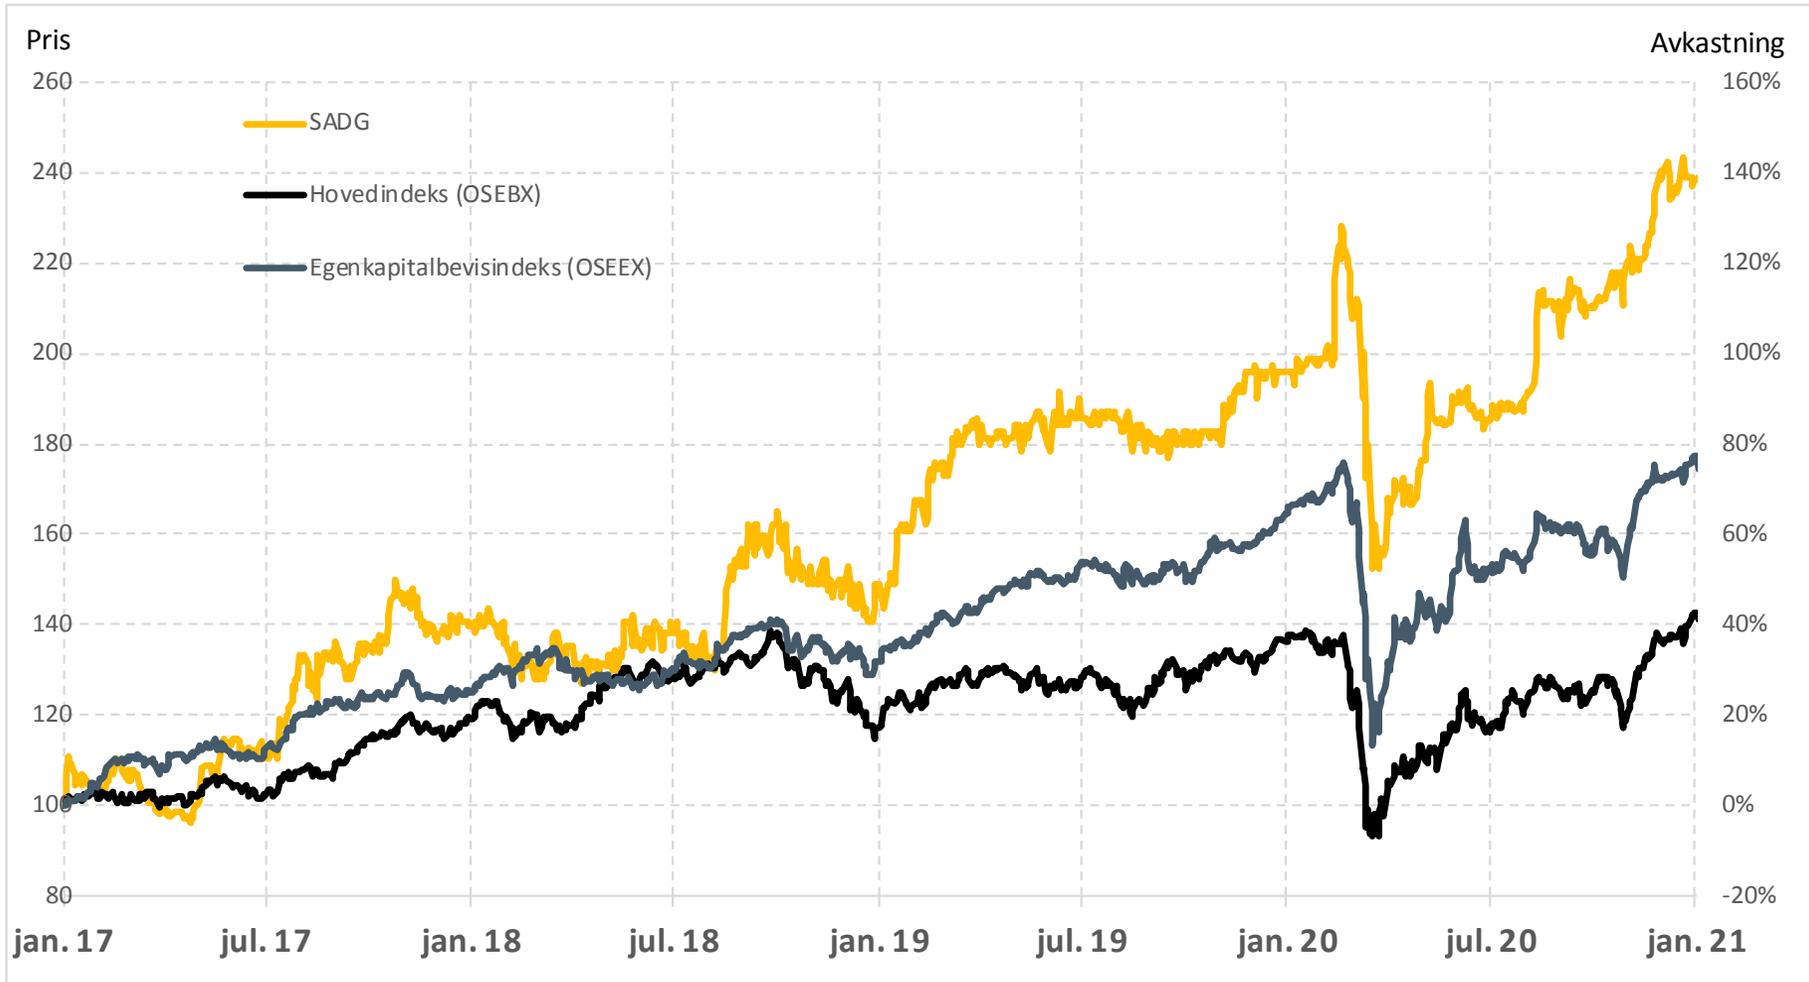

|                              | 2017             | 2018             | 2019             | 2020             | Target 2024                           |
|------------------------------|------------------|------------------|------------------|------------------|---------------------------------------|
| ROE                          | 7,5 %            | 8,8 %            | 9,6 %            | 9,0 %            | > 10 %                                |
| Dividends                    | 50 %             | 75 %             | 63 %             | 50-75 %*         | 50-75 %                               |
| CET-1                        | 16,6 %           | 16,6 %           | 17,4 %           | 17,9 %**         | >14,1 %                               |
| Profitable Growth            | -0,1 %           | 2,7 %            | 2,5 %            | 4,9 %            | > 5 %***                              |
| Customer Experience<br>(KOI) | BM: 69<br>PM: 52 | BM: 79<br>PM: 56 | BM: 80<br>PM: 69 | BM: 73<br>PM: 79 | Corporate (BM): 80<br>Retail (PM): 80 |

\* The group is solid and is well capitalized within all capital requirements. The board plans to pay a dividend to owners, customer dividends and gift funds for the financial year 2020 within the adopted dividend policy (50% -75%) in the fourth quarter of 2021, subject to market conditions and approval from the authorities

\*\* includes the entire profit for 2020. Dividends within 50% -75% will result in a reduction in CET1 of between 0.8% - 1.2%

\*\*\* Will depend on credit growth in the market area

# Return throughout the strategy period 2017-2020

# 4,9 % Loan Growth YOY

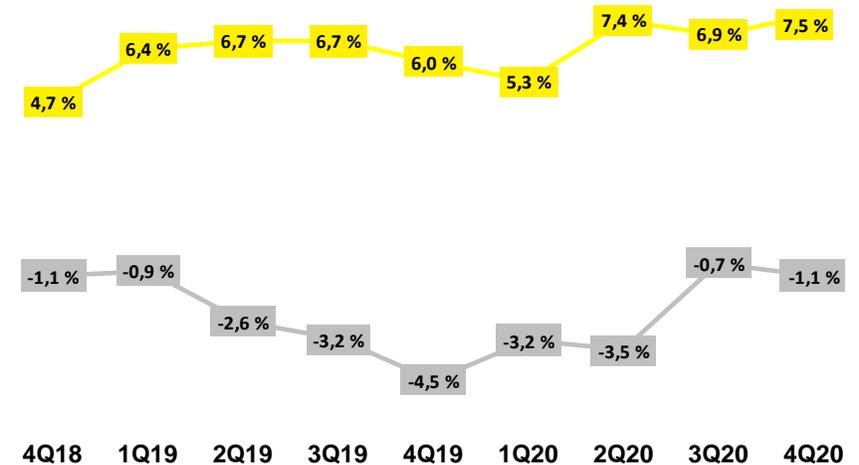

Continued increase in retail market share

Lending Growth (12mth)

- Lending to private customers is up NOK 1.2 billion (7.5%) in the last 12 months.
- Lending growth last quarter was MNOK 244 (1.4%)
- 12-month credit growth in the bank's market area is 3.0% (figures from Early Warning)
- The bank continues to gain market share in the retail market

Lending Growth by Division (12mth)

- Gross lending volume for the corporate market is down MNOK 75 (-1.1%) in the last 12 months.
- Last quarter, lending to corporate customers was down MNOK 214 (-3.0%)

# Strategic map 2021 - 2024

Best in class on good and personal customer experiences

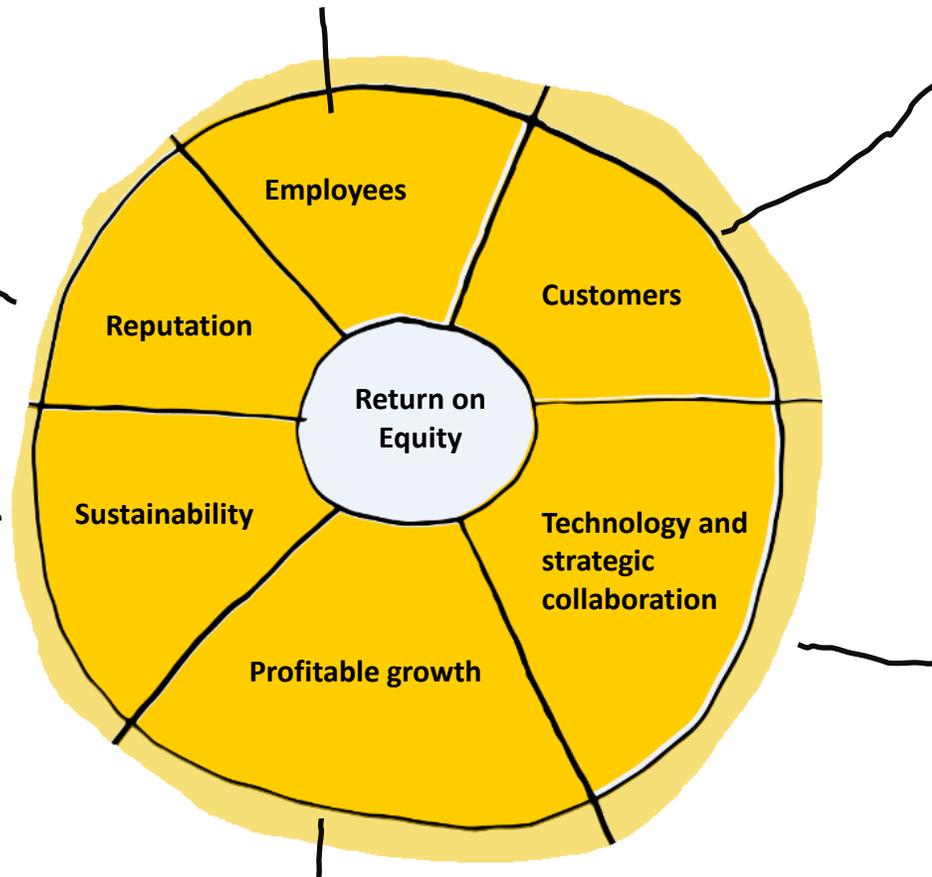

Regulatory Framework

We must have, take care of and be relevant to the most committed, competent and performance-oriented team players

We will be aware and work to further develop and strengthen the bank's reputation towards the bank's stakeholders.

We will differentiate ourselves from our competitors by offering the best customer experiences for the right customers

We are committed to contributing to a better and more sustainable future for our employees, our customers and our environment.

We will ensure value creation in existing and new partnerships, and ensure technology development that makes us attractive to customers, and that provides efficient internal operations

We will grow more than the market and we will balance growth against price and risk.  
We are committed to creating profitability in what we do.

# Retail is in place in the neighboring town of Sola

# Balansebank More Visible

Tekst: Steffen Thorsen

## Refinansiering er ikke nok!

Stadig flere aktører tilbyr refinansiering av gjeld for de som ikke kan bli kunder i ordinære banker. Banksjef Steffen Thorsen i Balansebank, opplever derimot hver dag at refinansiering alene ikke er nok.

Not translated

– Refinansiering alene er ingen «quick fix» for mennesker som av ulike årsaker sliter med privatøkonomien. Når vi går i dialog med en potensiell kunde om å inngå en avtale, er det viktig at begge parter lykkes. Viktigere enn refinansiering er god rådgivning og en god plan. Først da løser vi de reelle utfordringene, sier Thorsen i Balansebank.

Thorsen sier han provoseres av enkelte tilbydere av refinansiering.

«Mange kunder lammes litt av en utfordrende privatøkonomi, og trenger rettleiding.»

– Vi ønsker at kunden skal få tilbake sin privatøkonomiske frihet. Vårt mål er derfor at kunden etter hvert kan refinansiere i en ordinær bank. Da er vår jobb over.

**Individuell handlingsplan**

### Kan vi hjelpe deg?

### Hva gjør vi?

Gjennom tett og personlig oppfølging, hjelper Balansebank til med å friskmelde din økonomiske situasjon.

[Søknadsskjema](#)

### Hvordan virker det?

- > Vi lager en individuell handlingsplan sammen.
- > Vi følger deg opp så tett som det trengs.
- > Følger du planen, blir din økonomi friskmeldt og du kan søke om ordinært lån.

[Kom i gang](#)

Sandnes Sparebanks Gavefond gir over en million kroner i støtte til lokale restauranter, artister, lydteknikere, fotografer, sjåfør og eventyrere i form av flere hundre julegaver.

**Sandnes Sparebank**  
Publisert av Marit Tesdal  
28. nov. 2020 · 🌐

Det blir bra igjen!

Da skal vi være sammen med alle de vi er glad i — og klemme hverandre igjen 🧡

Vi tok med oss en gruppe elever fra danselinja på [Vågen VGS](#) til Dalsnuten. For at de skulle skape noe fint for alle oss som trenger det nå. Det klarte de 🥰

Vi støtter lokale artister og restauranter i en krevende tid. Gjennom vårt gavefond gir vi flere hundre julegaver i form av gavekort og minikonsserter i hagen eller på terrassen din. Fristen går snart ut, men det er ennå ikke for sent å nominere seg selv eller noen som fortjener det 🧡

Ta vare på hverandre 🧡

Her kan du nominere og se listen over lokale artister og restauranter:

[https://www.linticket.no/registrering2/index.php3?Req=2012D45R2651&fbclid=IwAR0amX19SmSAGa\\_AiR](https://www.linticket.no/registrering2/index.php3?Req=2012D45R2651&fbclid=IwAR0amX19SmSAGa_AiR)

re bank og bankens gavefond fortsetter å bidra til holde

ortjener å få en ekstra oppmerksomhet. De gule julegavene er lokale restauranter i Sandnes, Stavanger og Sola. Eller du kan lokale artister hjem på din egen terrasse!

"VI SKAL VÆRE BEST I KLASSEN PÅ GODE OG PERSONLIGE KUNDEOPPLEVELSER."

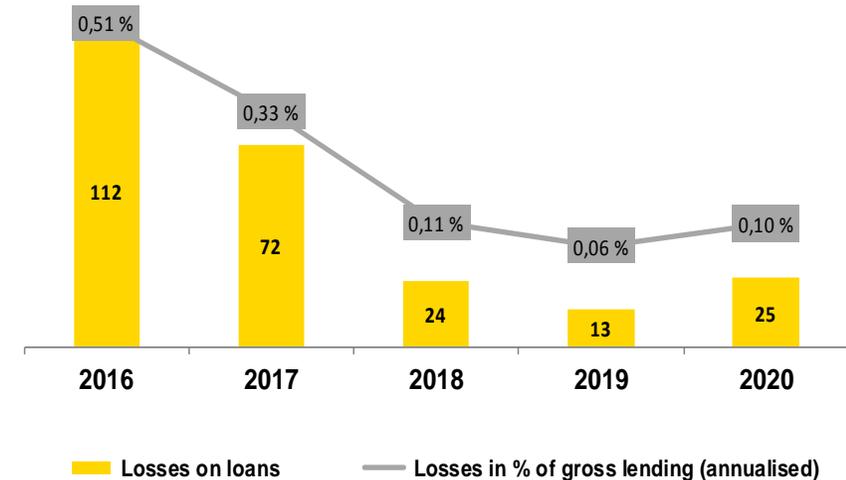

# Losses on Loans and Guarantees

Losses in the quarter reflect a stable portfolio in an uncertain market

Losses on loans and guarantees, quarterly

Losses on loans and guarantees, EOY/YTD

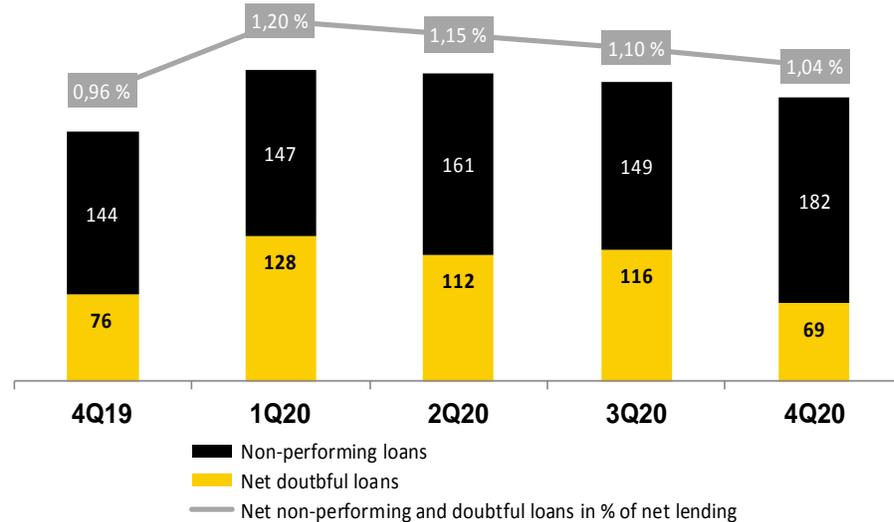

- Individuelle/spesifikke nedskrivninger redusert med MNOK 1,4 i kvartalet
- Steg 1 og 2 avsetningene (modellavsetninger) redusert med MNOK 2,9 i kvartalet
- Øvrige konstateringer utgjør MNOK 4 i kvartalet

- Fordeling avsetninger pr. steg YTD 2020 – totalt MNOK 25
  - + 5,7 MNOK Steg 1
  - 23,5 MNOK Steg 2
  - 6,9 MNOK Steg 3

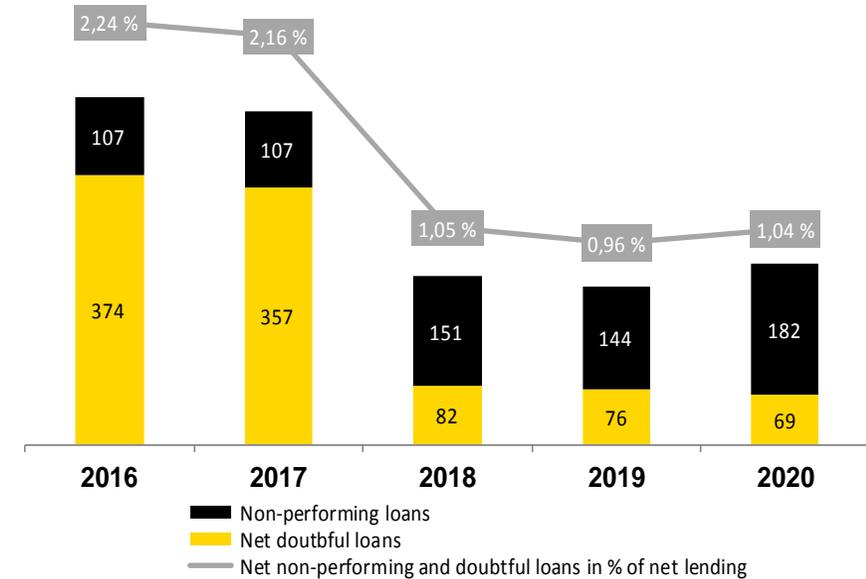

# Non-Performing and Doubtful Loans

Stable levels, somewhat increase in 2020 due to market conditions

Non-performing and doubtful loans, quarterly

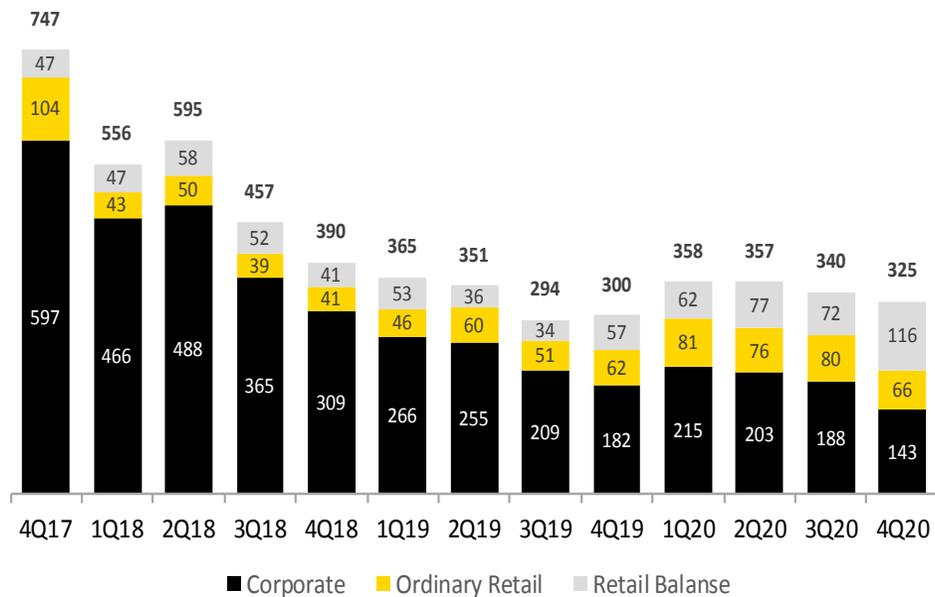

Non-performing and doubtful loans, quarterly

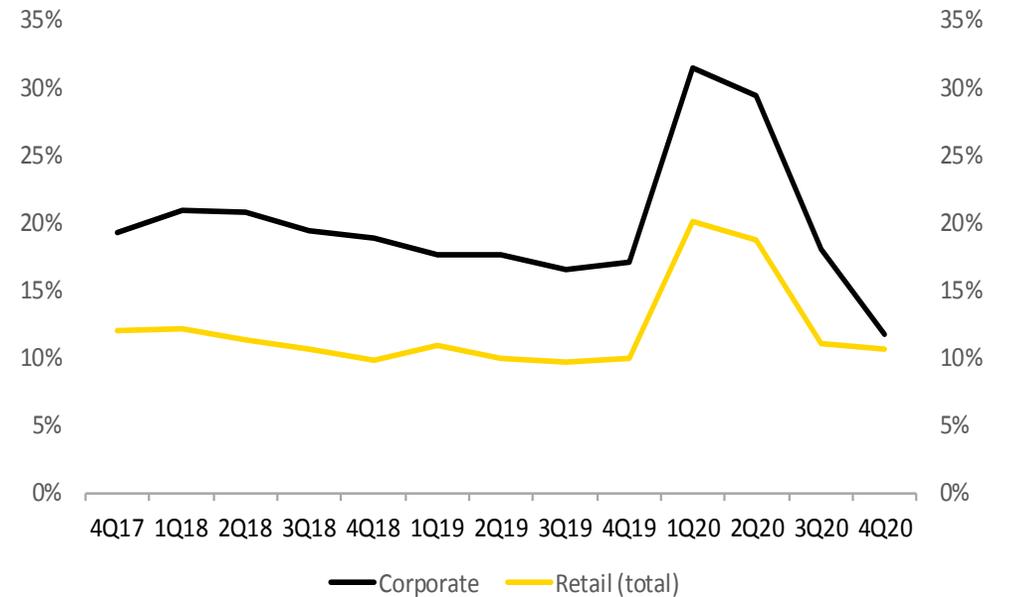

# Defaults and Payment Holidays

Gross NPL and defaults (90 days)

Share of Payment Holidays / Interest Only

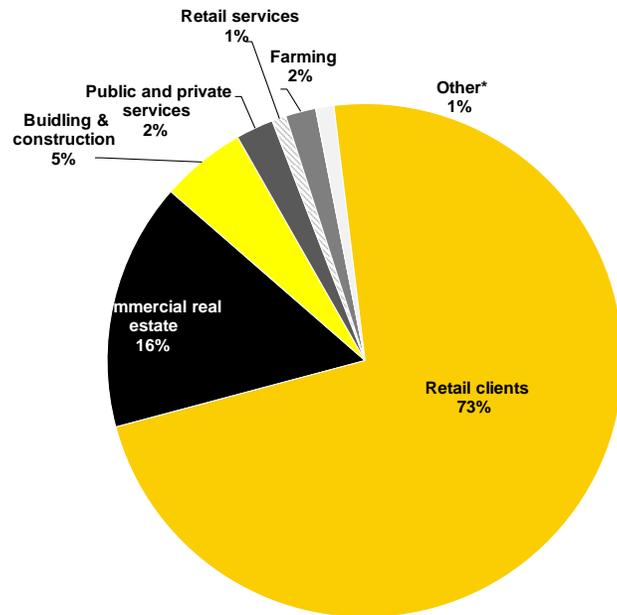

- Normalised levels of payment holidays/interest only
- Interest only loans to households is mainly flexible loans with low LTV
- Financing og land is the largest component of non-amortising loans to businesses

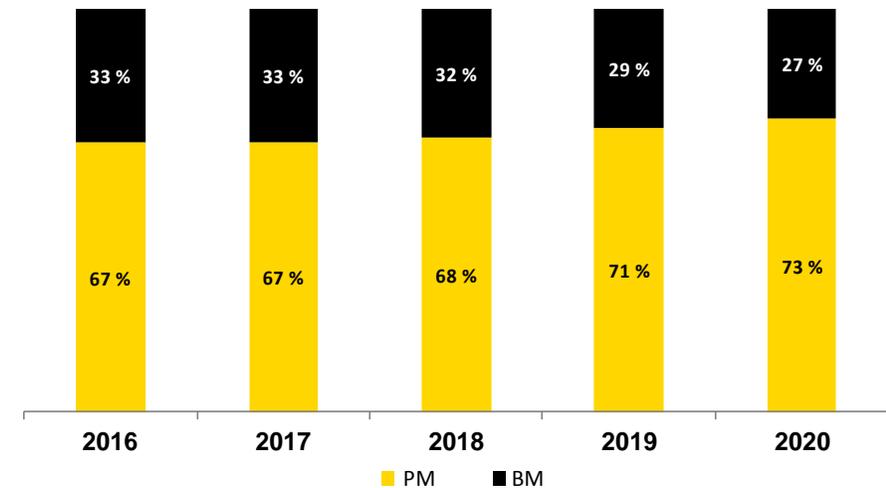

# Loans to Customers by Division

The share of lending to the retail market has increased significantly in the last 5 years

Distribution by sector

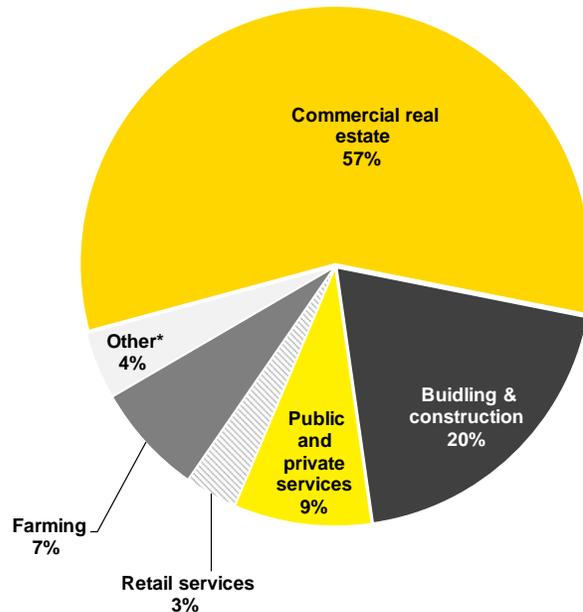

Distribution by division

# Loans to Corporate Customers by Sector

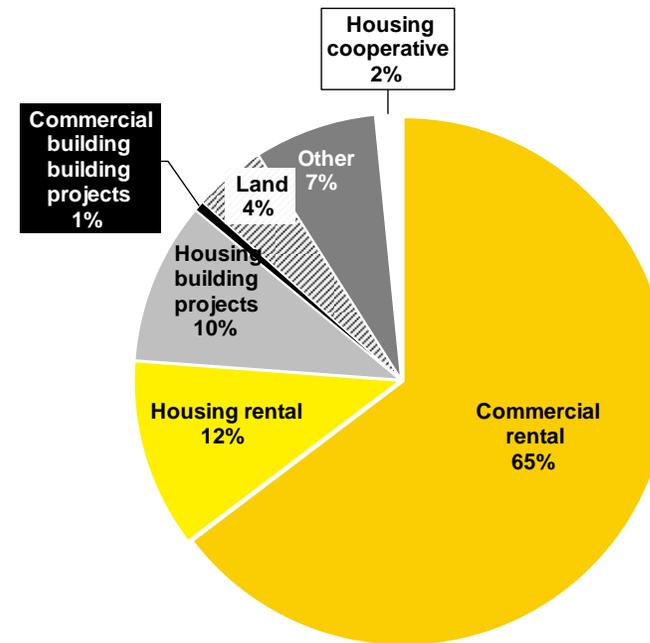

Focus on reducing risk over time | Strongest growth in farming and SME

Distribution by sector

- Low exposure to cyclical industries
- Largest growth in farming
- Farming will continue to be an important focus area going forward
- Insignificant direct exposure to oil-related activities
- Insignificant direct exposure to travel related services

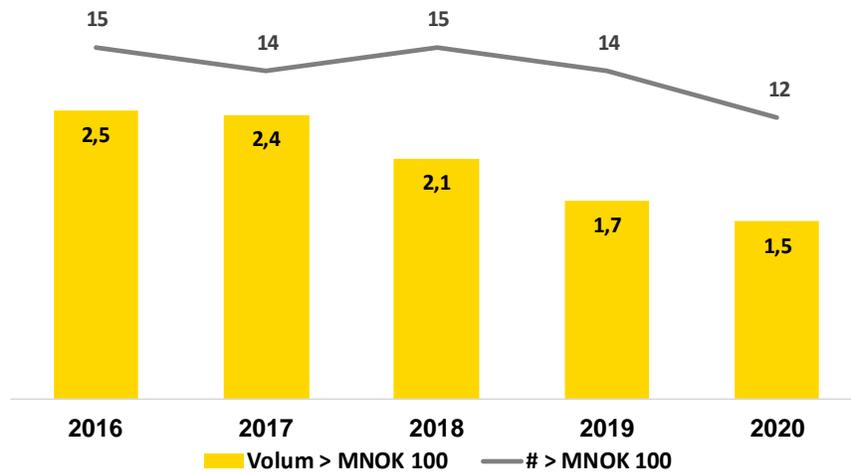

Corporate loans to real estate

# Corporate Loans by Size

Growth in smaller loans (SME) | Reduction in loans above MNOK 100

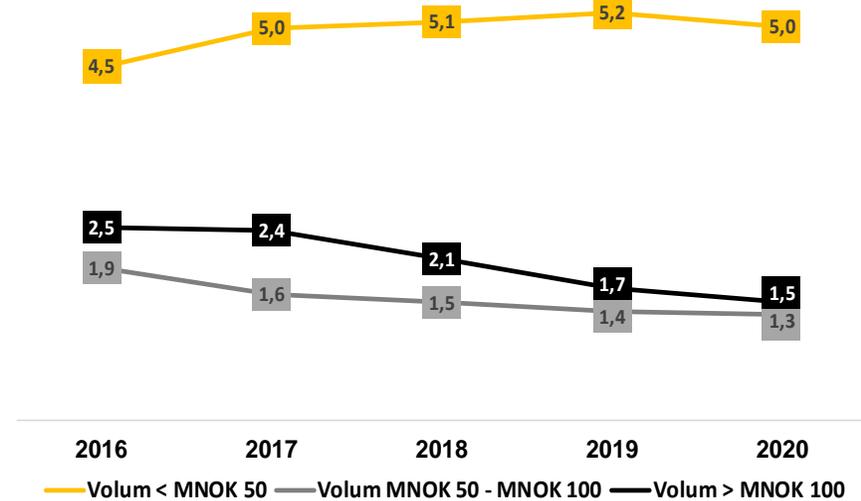

Loan balance > MNOK 100, volume and # customers

- Total volume of loans > MNOK 100 continues to drop
- # of customers with loans > 100 also decreasing
- Avg. loan balance halved compared to Q217
- # of customers almost doubled last two years

# lån og volum basert på enkeltstående engasjement, ikke Basel II-gruppering

Loan size distribution, volume

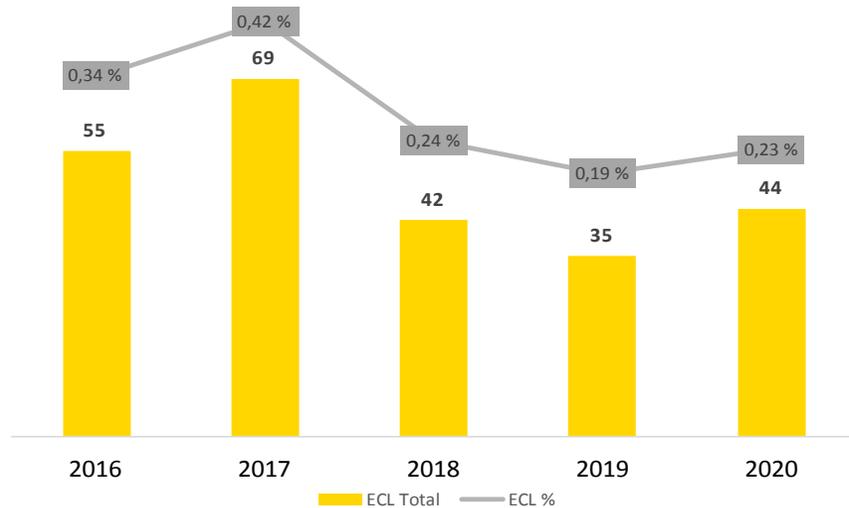

- Continued strategy to reduce concentration risk in corporate loan book

# Loans to Customers by Division, Credit Risk

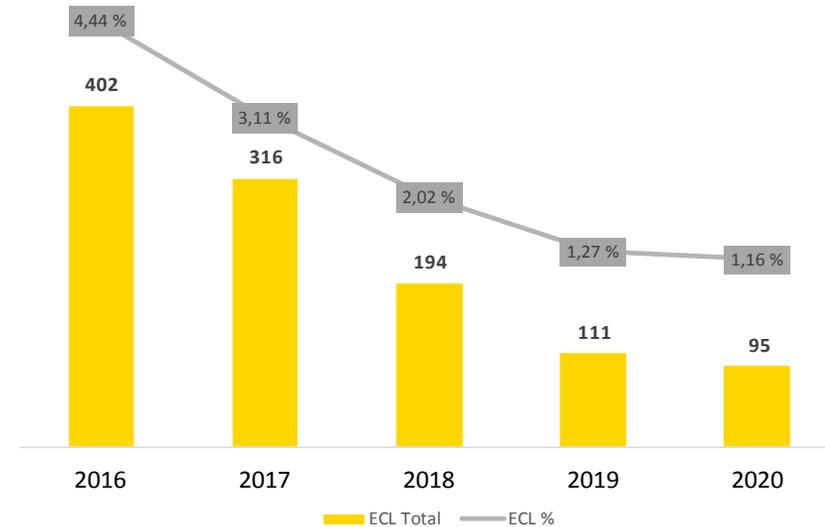

## Risk expressed by expected credit loss (ECL)

### Retail

- Added macro factor in 1Q20 which increases ECL by stressing customer PD
- Adjustment gives a relative increase in individual PD's of 40 %
- Expected increase in unemployment increases ECL

### Corporate

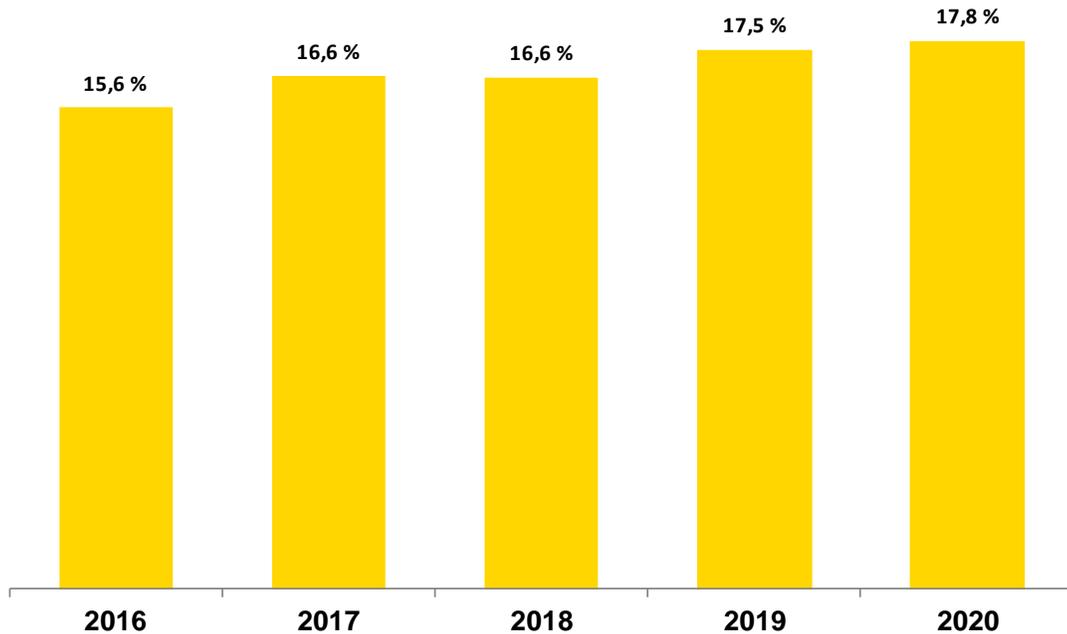

- Added macro factor in 1Q20 which increases ECL by stressing customer PD
- Adjustment based on sector
- Adjustment gives a relative increase in individual PD's of 12 %

# Well capitalized and equipped for uncertain times

Common equity tier 1 capital ratio of 17.8% including profit for the year

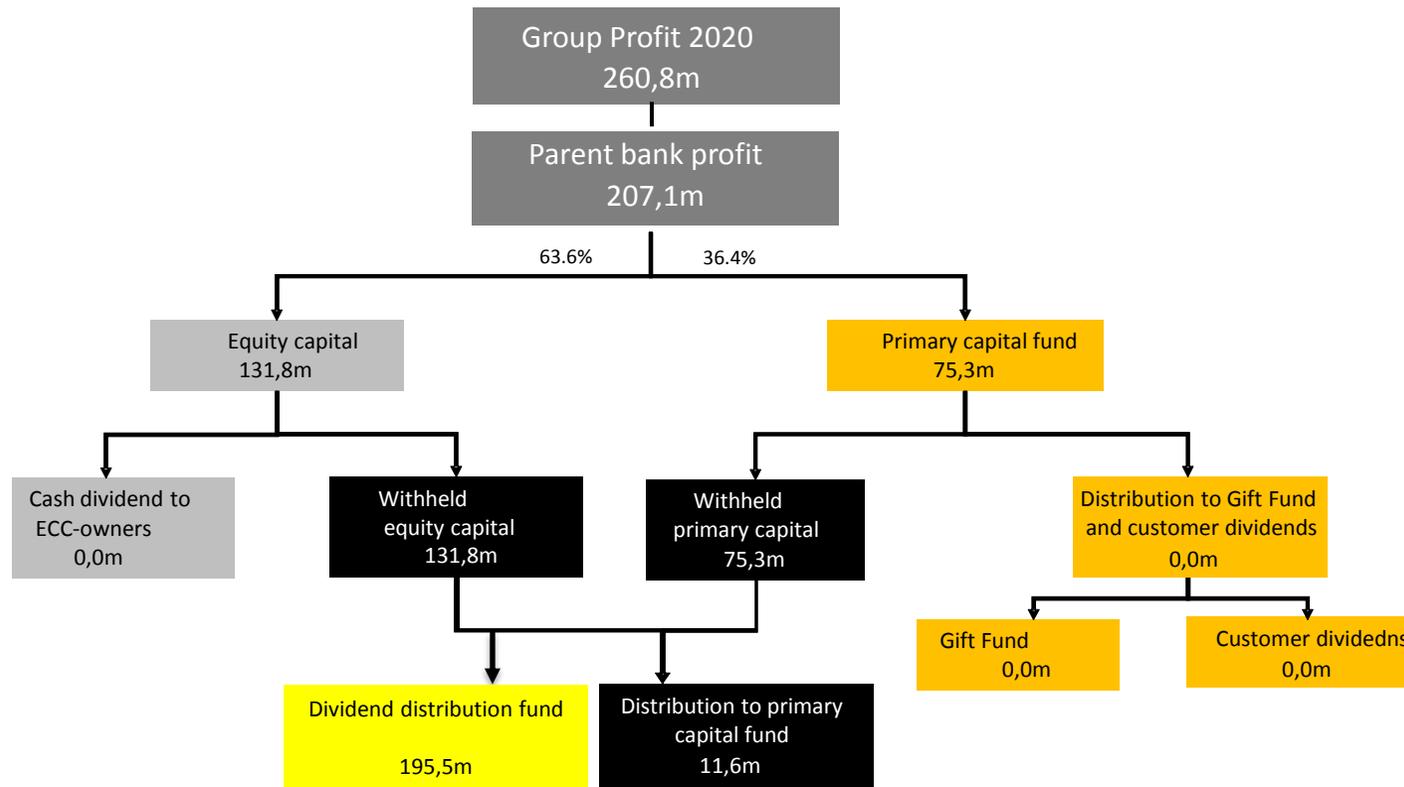

Common Equity Tier 1 Ratio (CET1)

A well-capitalized bank

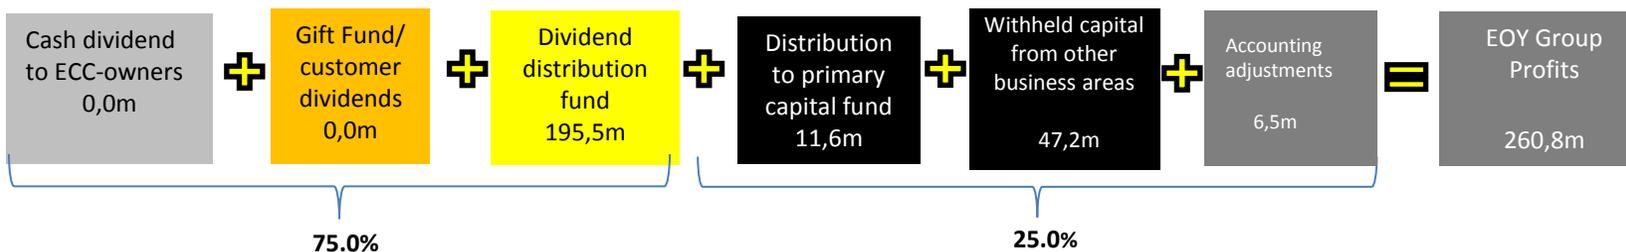

- FSA minimum CET 1 requirement of 13.1%
- Pillar-2 requirement of 2.1%,
- Target for Common Equity Tier 1 capital (CET1) > 14.1%
- 
- Dividend for 2020 within 50% -75% will lead to a reduction in CET1 of between 0.8% - 1.2%
- The bank successfully repurchased equity certificates in February 2020. The repurchase reduced CET1 by  $\approx$  1%

# Dividend ratio, Distribution of Group Profit

- Temporary distribution restrictions from the authorities until 30.09.21 entail withheld distribution of dividends to owners, customer dividends and gift funds.
- The group is solid and is well-capitalized within all capital requirements. The board plans to pay a dividend to owners, customer dividends and gift funds for the fiscal year 2020 within the adopted dividend policy (50% -75%) in the fourth quarter of 2021, subject to market conditions and regulatory approval.
- Of the group's profit, NOK 195.5 million (75.0%) is allocated to a dividend distribution fund, that can be disbursed dependent on a board decision (by power of attorney).
- The appropriations do not change the ECC-ownership, it remains unchanged at 63.6%.

# Unemployment - Rogaland

Slightly lower unemployment than the rest of the country, no signs of higher "oil unemployment"

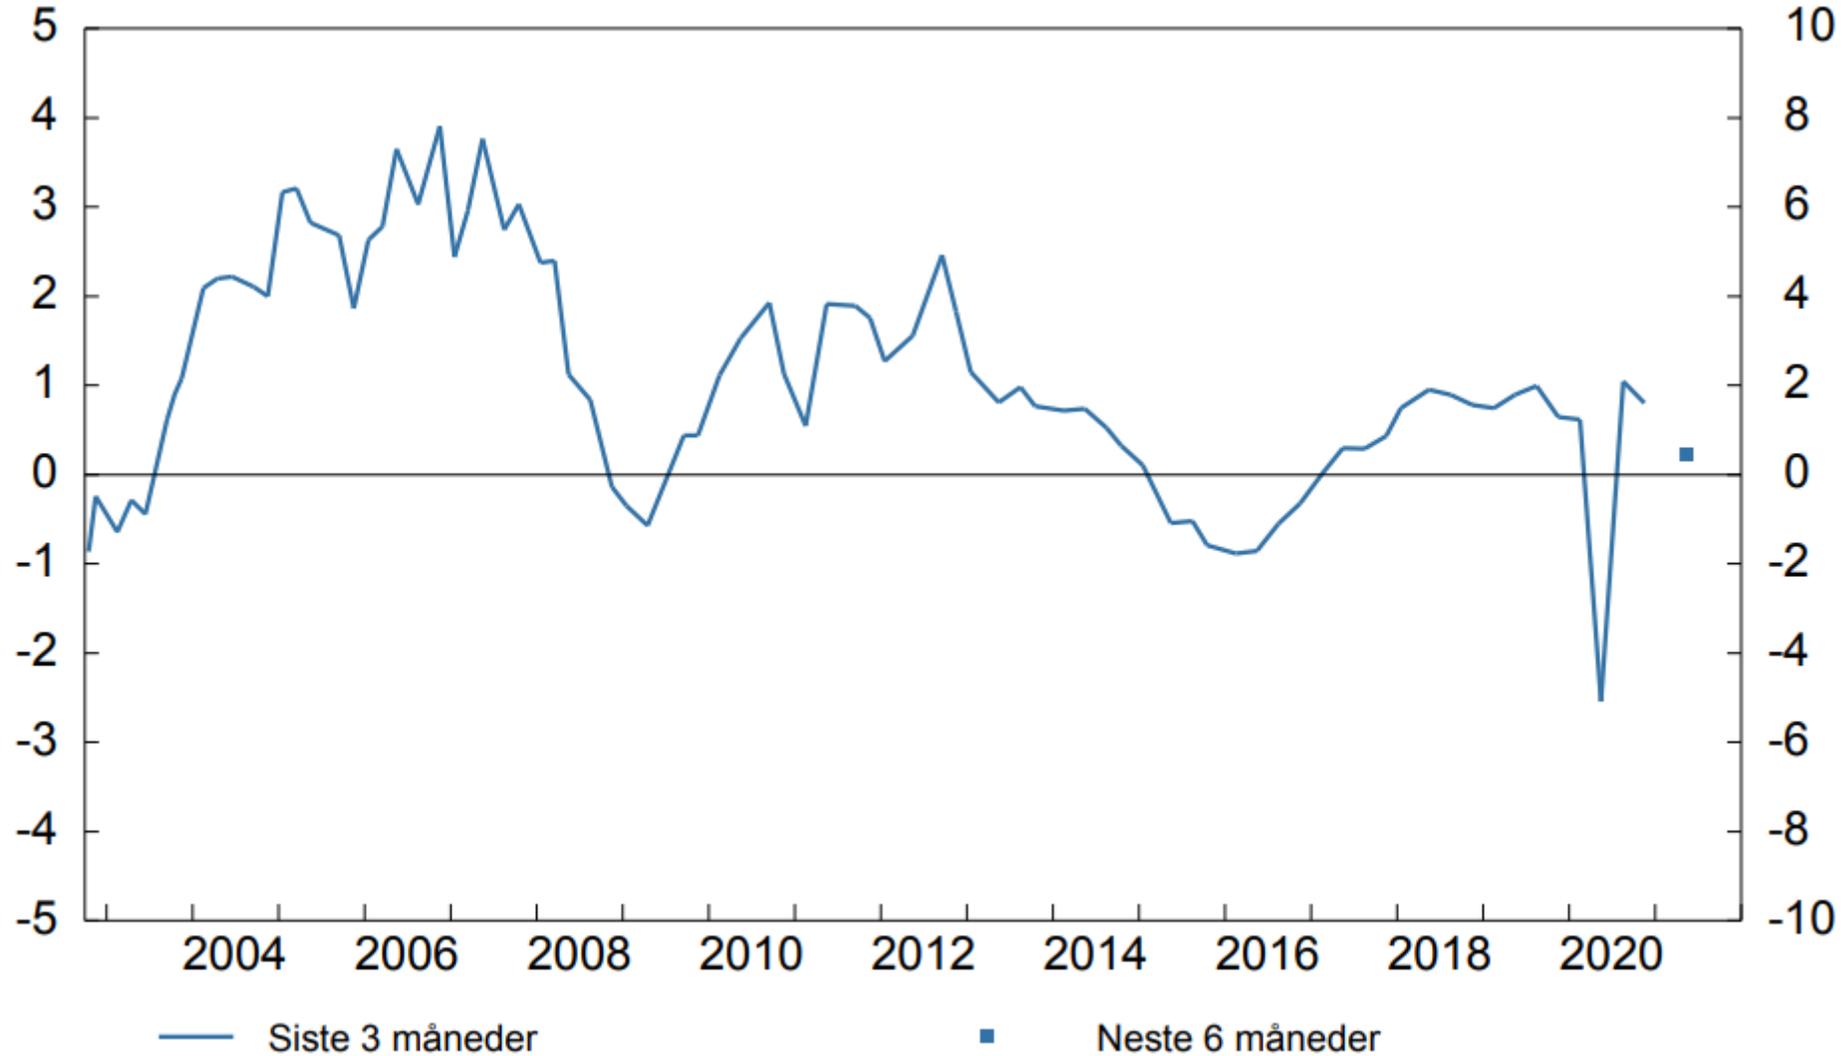

"We expect an increase in unemployment at the beginning of 2021. Natural seasonal variations and strict infection control restrictions mean that unemployment will rise."

"At the end of January, 16,919 people were registered as jobseekers, figures from NAV show. This is an increase of 637 people compared to December last year. 10,480 people are currently completely out of work. It accounts for 4.1 per cent of the labor force in the county. 5,314 people are partially unemployed, which is 2.1 per cent."

NAV Rogaland 29.01.21

## Appendices

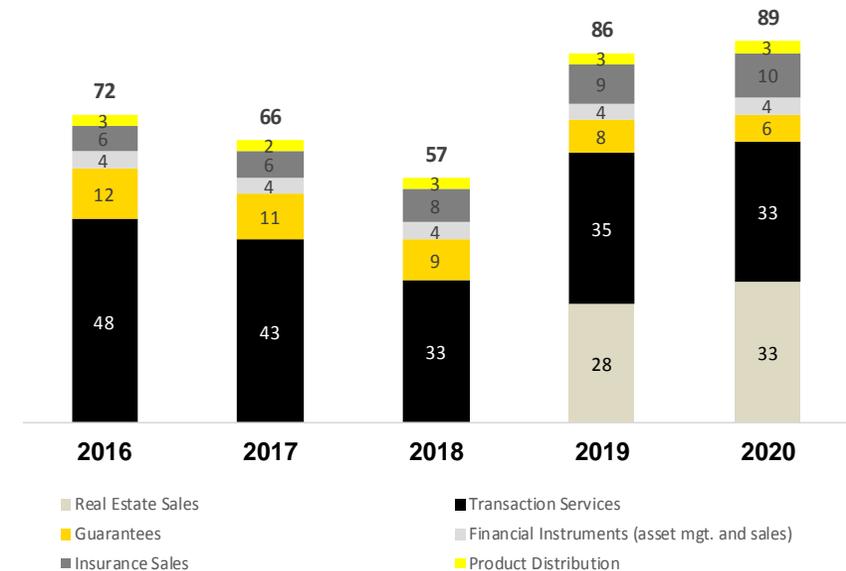

# Gross Commission Income

Gross commission, quarterly

- From the 3rd quarter of 2020, the bank has chosen to reclassify income from real estate activities from other income to commission income.
- The figures in the figures have consequently been reworked from 2019 to show historical development

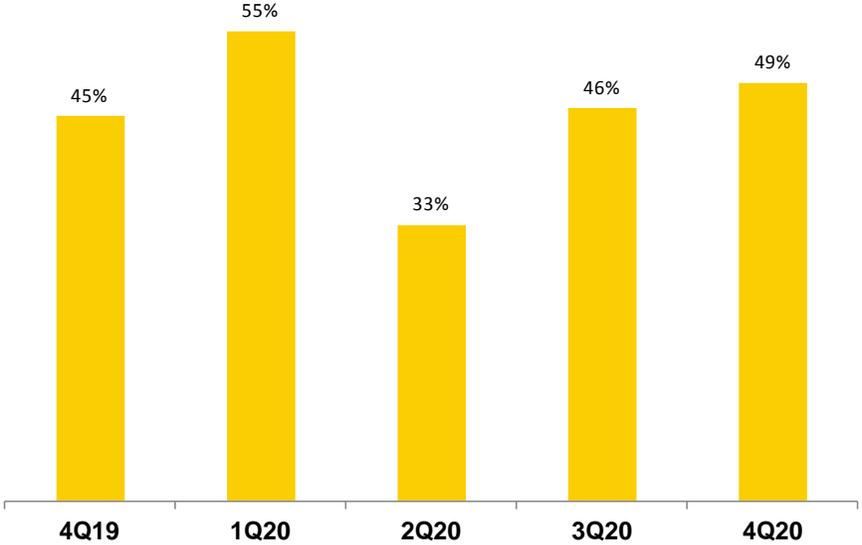

Gross commissions, EOY/YTD.

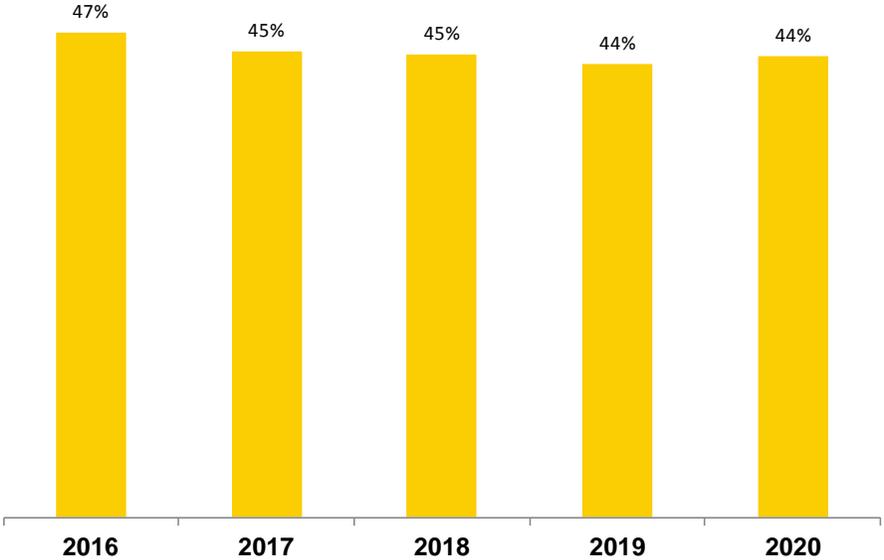

- The change in principle for bookkeeping of the real estate business has not been made for 2016-2018.

# Cost to Income

Cost to income, quarterly

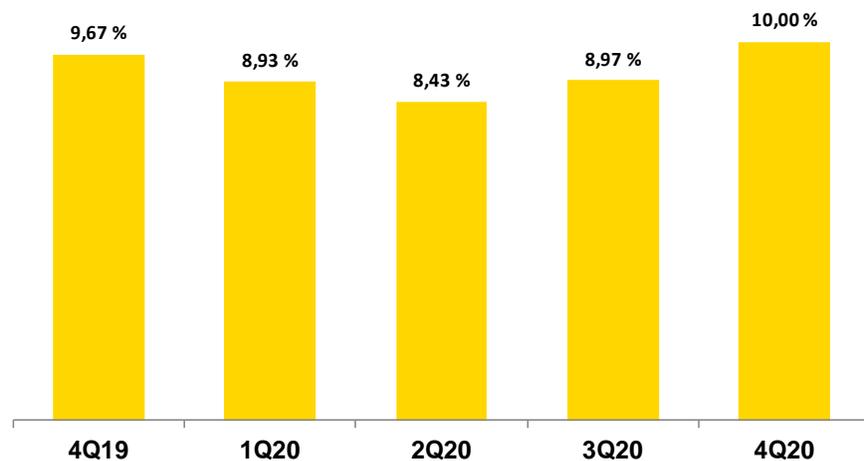

Cost to income, EOY/YTD

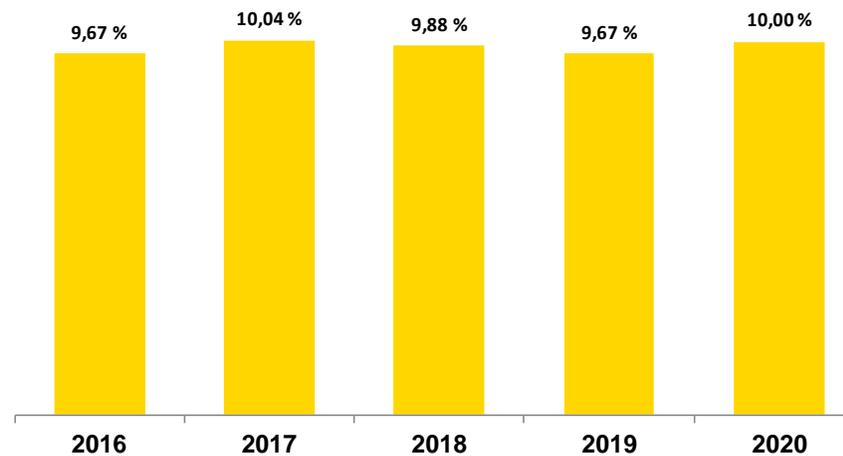

# Solidity – Leverage Ratio

Leverage (Equity/Total assets), quarterly

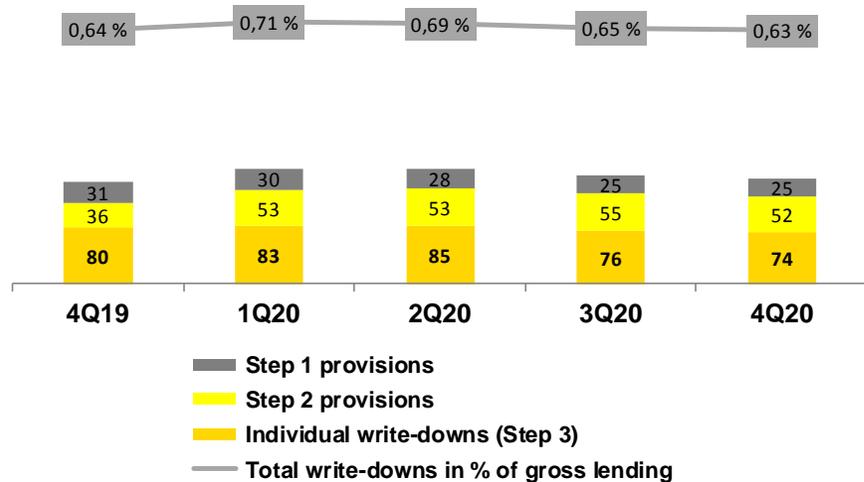

Leverage (Equity/Total assets), EOY / YTD

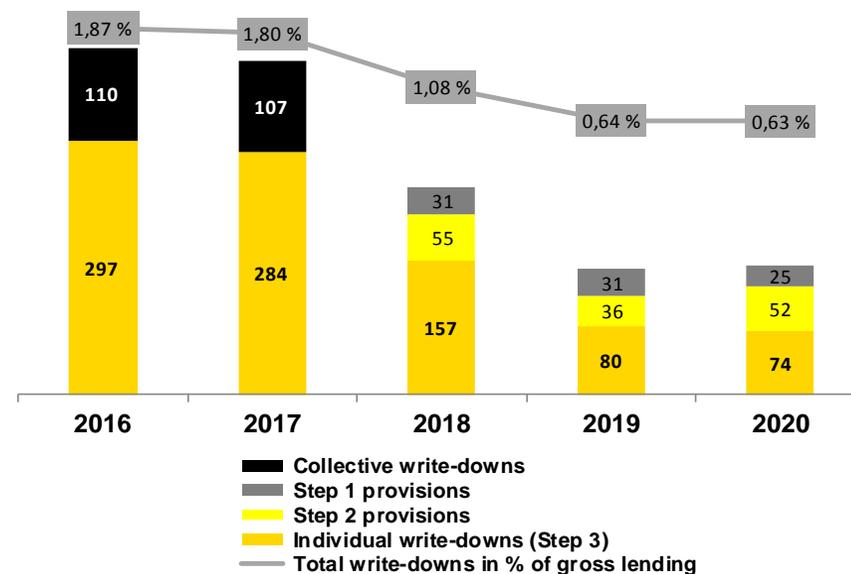

# Write-downs on Loans

Stable provisions | Larger restructuring in the years of 2016-2018

Write-downs, quarterly

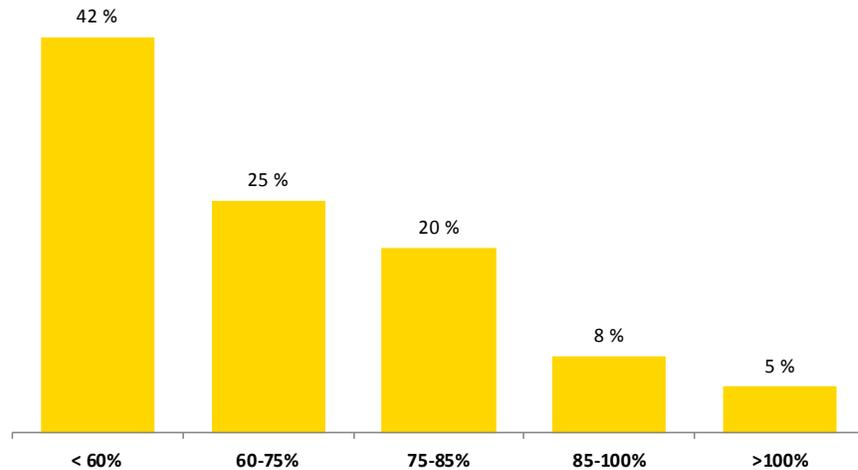

Write-downs, EOY/YTD

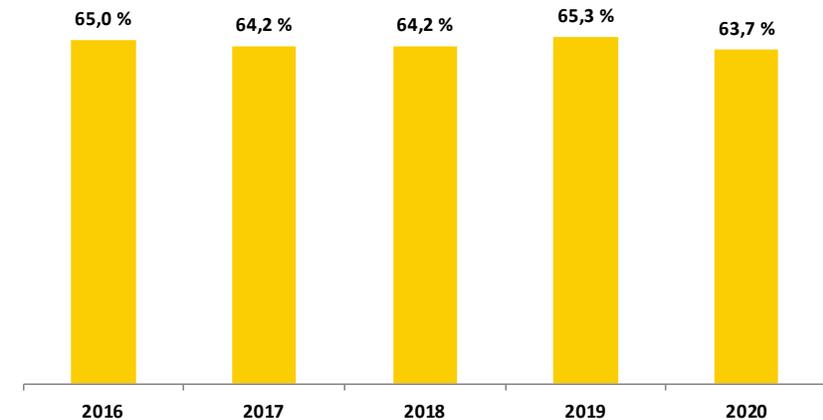

# Retail Loan Portfolio

LTV distribution

- The LTV distribution is totally distributed, ie the entire loan is placed in one and the same category (a loan with 80% LTV is in its entirety placed in the category 75-85%)
- Customers with LTV > 100% are mostly customers with additional security in the form of guarantors with customer relationships in another bank

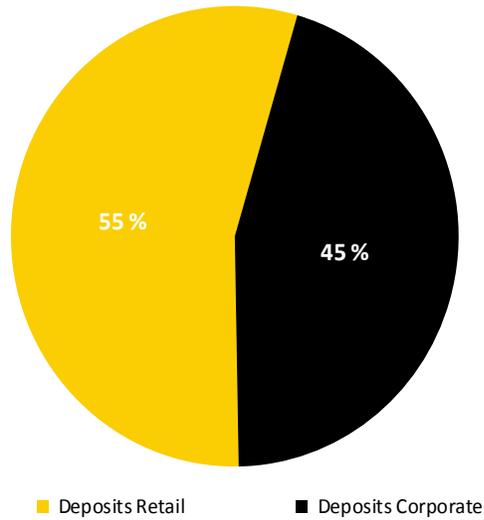

Weighted average LTV

- Flat development in house prices from 2016 leads to stable LTV's
- New customers normally have higher LTV than existing ones
- Installments on existing loans draws LTV down

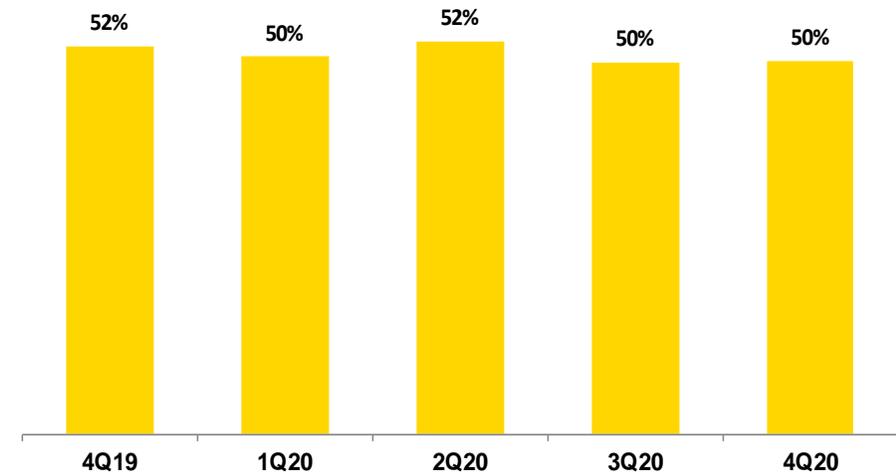

# Deposits From Customers

By division

- Deposit-to-loan Retail  $\approx$  40 %
- Deposit-to-loan Corporate  $\approx$  70 %

Deposit-to-loan ratio

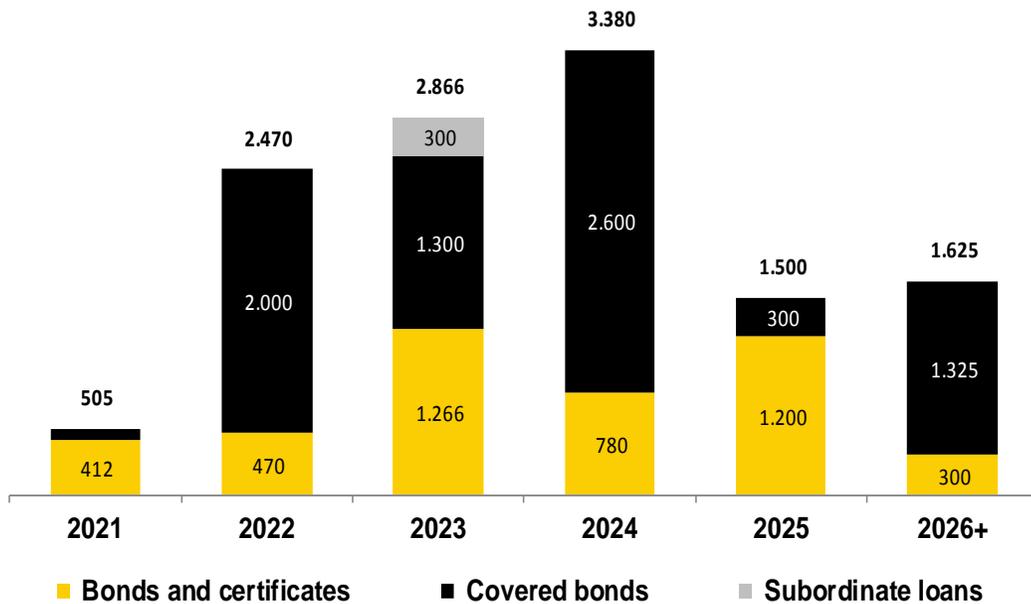

- Innskuddsdekning morbank er 80 %

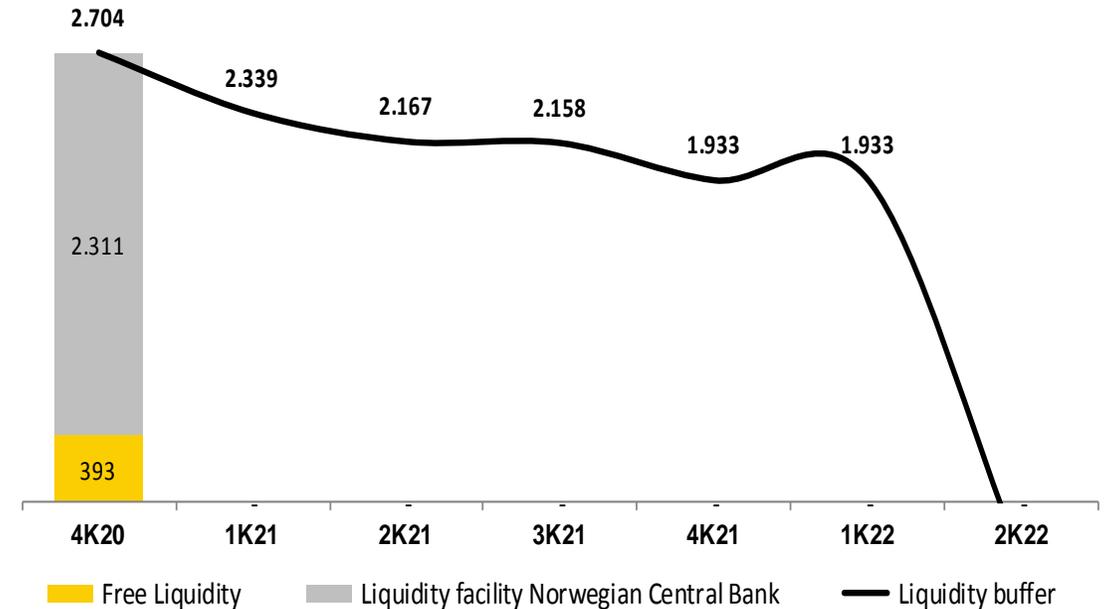

# Liquidity

LCR at 247 % | NSFR at 130 %

Funding (MNOK)

Liquidity reserve, (MNOK)

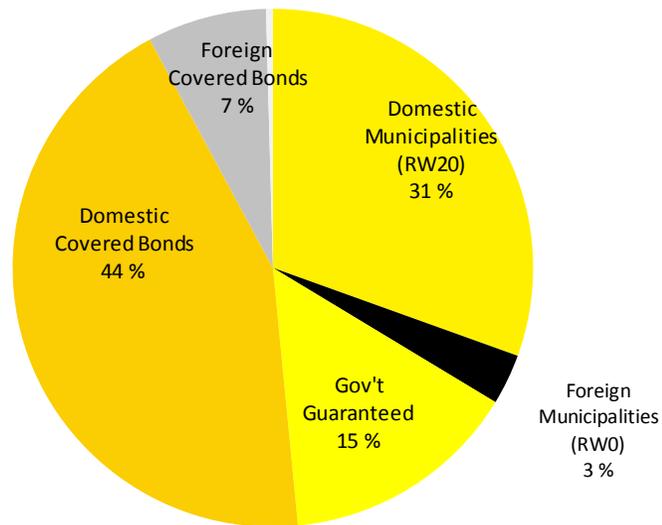

- The maturity overview does not include F-loans raised with Norges Bank with collateral in deposited securities.

# Liquidity Reserve

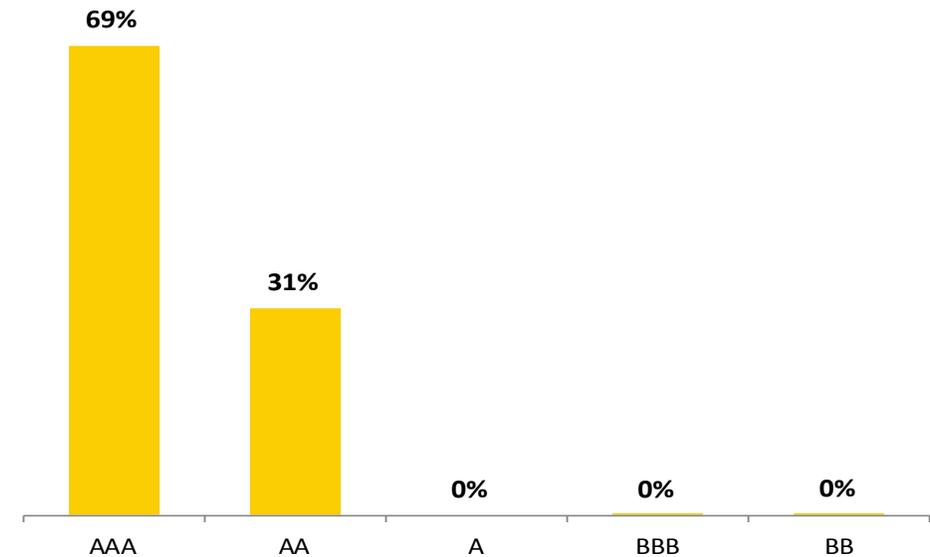

NOK 3,9 bn. ex. cash | 99 % AA-rated or above

Composition of portfolio

- NOK 1.0 billion is Norwegian municipal securities with a remaining maturity of up to 0.15 years. These are financed through F-loans from Norges Bank with a corresponding maturity

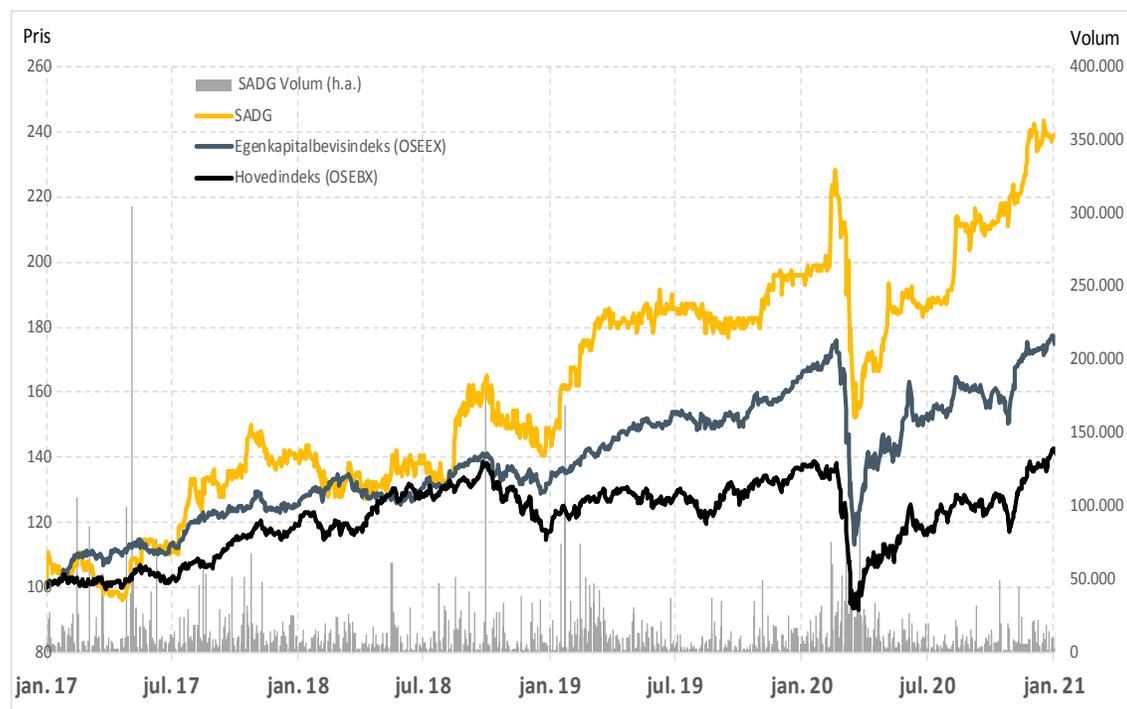

Rating distribution

- Norwegian municipal certificates are included in the category AA rating
- Investments in the BBB category are money market funds

# The Equity Capital Certificate

SADG development on OSE

ECC-ownership

| 20 largest owners of equity certificates as at 31.12.2020 | No. of equity certificates | Share           |

# Definition of Key Figures

## Rate of deposits to loans

OB net loans to customers / OB deposits from customers

## Liquidity coverage ratio (LCR)

Liquid assets / net liquidity output within 30 days in a stress scenario

## Net Interest Income (NII)

Interest income – interest expenses

## Interest margin

$((\text{Net interest income} / \text{days in the period}) \times \text{days in a year}) / \text{average total assets}$

## Lending margin

Average loan rate – rolling average of 3month NIBOR rate

## Deposit Margin

Rolling average of 3month NIBOR rate – average deposit rate

## Cost / income ratio

Total operating costs / (net interest income + total other operating revenues)

## Costs as a percentage of average total assets

$((\text{Total operating costs} / \text{days in the period}) \times \text{days in a year}) / \text{average total assets}$

## Return on equity before tax

$(\text{Operating profit before taxes} / \text{days in the period} \times \text{days in a year}) / ((\text{OB total equity} + \text{IB total equity}) / 2)$  [excl. T1 hybrid instruments]

## Return on equity after tax

$(\text{Operating profit after taxes} / \text{days in the period} \times \text{days in a year}) / ((\text{OB total equity} + \text{IB total equity}) / 2)$  [excl. T1 hybrid instruments]

## Equity certificate capital in % of equity

$(\text{Equity certificate capital} + \text{own equity certificate} + \text{share premium} + \text{dividend equalisation reserve}) / (\text{Equity certificate capital} + \text{own equity certificate} + \text{share premium} + \text{dividend equalisation reserve} + \text{savings bank`s fund} + \text{gift fund})$

## Earnings per equity certificate

$(\text{Operating profit after taxes} \times \text{equity certificate capital in \% of equity}) / \text{number of equity certificates}$  **Book value per equity certificate**

OB total equity x equity certificate capital in % of equity / number of equity certificates

## Price / Book (P/B)

Market price / book value per equity certificate

## Operating profit before write downs and taxes

Operating profit after tax + tax cost + write downs on lending and guarantees
